Course Overview:

The Evandro de Oliveira Symposium will honor and celebrate the career and legacy of Dr Evandro de Oliveira, one of the international luminaries of intracranial surgery. The more than 90 invited Faculty represent an international cadre of masters who will lead lectures, debates, expert panels, and audience participation. This educational format, structured around the very neurosurgical themes that Dr de Oliveira dedicated his entire professional career to, is an international first and will never be repeated.

Outline:

The Symposium will start on Thursday April 11 at 1pm and conclude on Friday April 12 at 6pm. A welcome reception and gala dinner for all participants and Faculty will be held near the convention center (location TBD) on Thursday evening. A private dinner for Faculty only will be held off-site on Friday evening. The Symposium will feature more than 80 speakers and the following sessions:

- Opening remarks: Celebrating Dr de Oliveira
- Session 1: Neuroanatomy of the Brain-Pure and Applied
- Session 2: Epilepsy surgery
- Session 3: Deep tumors
- Session 4: Skull base tumors
- Session 5: Aneurysms
- Session 6: AVMs
- Session 7: Cavernous angiomas and Dural AV Fistulas
- Session 8: Bypass surgery – Ischemia, Moyamoya and Aneurysms
- Session 9: Mastery, Legacy, Drive and Commitment
